# THE FREEDOM TO EXPLORE

*Explore the New World of the 15th Century in this commemorative edition of the classic Seven Cities of Gold. This is a time when only the bold venture forth; these are unknown lands that are yours to discover.*

Unlimited exploration and gameplay with the Random map generator.

Many challenging tasks face you– mapping uncharted wilderness, building far-flung outposts, and establishing trade relations with the many cultures you will encounter.

Control your own destiny; choose who to hire and equip your ship with food, animals, arms and other items for trading.

Interact with over 8 different indigenous tribes throughout the New World.

Period music score sets the classical tone, and stunning Soundblaster sound effects complete the scene.

Management of supplies is critical in this real-time setting.

Locate valuable resources and set up mining operations.

With your daring and skill, you will rise from unknown explorer to Viceroy of a new empire.

The chief smiles, and takes your gift.
The chief is confused by your actions.
The chief offers you goods from the tribe...
